5. The system will display a complete transaction page.

6. Click on the "Print Receipt" button, a popup window will display a printer version of your transaction details. Print it to your printer or print it as a PDF file (see Tips below).

7. You should send us this printer version copy to us either by fax (603-21632980, please quote your account and domain name) or e-mail (support@registrar.com.my).

Tips:

1. To print the page as PDF file, you need software such as ADOBE Acrobat or any software allow you to print the file in PDF format. Instead of selecting ordinary printer, you choose PDF printer (such Adobe PDF), click print to save the file.
2. To capture the page as image,
 - While the page is active / on Focus, press "Print Screen" on your keyboard
 - Open "Paint" [For window user, Start>Programs>Accessories > Paint] or any Photo editor software, Create a new file, paste the captured image to the file and save.
